Dear Ralph:

Your letter of April 8 has been received.

It is my pleasure to send you this letter recognizing the outstanding job performed by the 2/32 Field Artillery Battalion during the Vietnam War. This Battalion served in Vietnam for seven years and was involved in fifteen campaigns. I take this occasion to congratulate you and all members of the Battalion for their performance.

Best wishes to all the veterans at the banquet and to their families. You have much to be proud of.

Best wishes.

Sincerely,

W. C. WESTMORELAND
